Education

Birla Institute of Technology and Science (BITS), Pilani

M.E. Software Systems

Aug 2014 – Jul 2016 | Pilani, India

Pune Institute of Computer Technology (PICT), University of Pune

B.E. Computer Engineering

Aug 2010 – Jun 2014 | Pune, India

Work Experience

QA Automation Lead | SAP Labs India | Sep 2018 - Present | Bangalore, India

- Led a team of QA automation engineers responsible for testing enterprise cloud applications.
- Designed and implemented robust, scalable test automation frameworks using Java, Selenium WebDriver, and TestNG.
- Integrated automated tests into CI/CD pipelines (Jenkins), significantly reducing regression testing time.
- Developed strategies for API testing (RestAssured) and performance testing (JMeter).
- Mentored team members, conducted code reviews for test scripts, and defined QA best practices.

Senior QA Automation Engineer | Infosys | Aug 2016 - Aug 2018 | Pune, India

- Developed automated test scripts for web applications.
- Executed test plans and reported defects.
