Education

Manchester Metropolitan University

BSc (Hons) Business Information Technology

Sep 2015 – Jun 2018 | Manchester, UK

Work Experience

Business Intelligence (BI) Developer | Co-op Group | Jul 2018 - Present | Manchester, UK

- Developed and maintained BI solutions using the Microsoft BI stack (SSIS, SSAS, SSRS, Power BI).
- Created ETL packages using SSIS to load data into the data warehouse from various sources.
- Designed and developed tabular models in SSAS for analytical reporting.
- Built interactive dashboards and reports using Power BI and SSRS.
- Wrote complex SQL queries and optimized database performance for reporting.
- Collaborated with business stakeholders to gather requirements and translate them into technical BI solutions.
