

# Kevin Miller

Dusseldorf, Germany

kevin.miller@fakeemail.com | +49 211 6677 8899 | LinkedInKevin | GitHubKevin

## Education

Heinrich Heine University Düsseldorf

Master of Science in Computational Linguistics

Sep 2022 – Aug 2024 | Düsseldorf, Germany

GPA: 1.5/1.0 (German System)

Activities: Natural Language Processing Group, Language Technology Workshop Organizer

Relevant Coursework: Machine Learning for NLP, Statistical Language Modeling, Information Retrieval, Sentiment Analysis

Thesis: Development of a neural network for text summarization

## Work Experience

NLP Research Intern | Fraunhofer IAIS | Jan 2024 - Present | Sankt Augustin (near Düsseldorf), Germany

- Worked on projects related to natural language understanding and generation.
- Implemented and evaluated NLP models using Python and TensorFlow/PyTorch.
- Contributed to the development of conversational AI systems.

## Skills

Programming: Python

NLP Libraries: NLTK, spaCy, Transformers

Machine Learning: TensorFlow, PyTorch

Statistical Modeling

## Certificates

## Awards

University Grant for Research in Computational Linguistics
