Education

Indian Institute of Technology, Bangalore

Master of Technology in Data Science

Jul 2020 - Jun 2022 | Bangalore, India

GPA: 9.2/10

Activities: Data Science Club Member, Kaggle Competitor

Relevant Coursework: Machine Learning, Big Data, Natural Language Processing, Data Visualization, Cloud Computing

Work Experience

Data Scientist | Flipkart | Jul 2022 - Present | Bangalore, India

- Built predictive models for customer behavior analysis using Python and Scikit-learn.
- Worked on big data processing frameworks (Hadoop, Spark) for real-time analytics.
- Created automated reporting dashboards using Tableau.

Skills

Programming: Python, R, SQL, Java

Tools: Hadoop, Spark, TensorFlow, Scikit-learn, Tableau

Cloud: AWS, GCP

Certificates

Coursera: Data Science Specialization (Johns Hopkins University)

Google Cloud: Machine Learning with TensorFlow

Awards

Kaggle Grandmaster (Top 0.5%)

Best Data Science Project - Flipkart 2023
