

Julian García

Buenos Aires, Argentina

julian.garcia@fakemail.ar | +54 11 1234 5678 | LinkedIn | GitHub

Education

Universidad de Buenos Aires

Master of Science in Artificial Intelligence

Mar 2019 – Dec 2021 | Buenos Aires, Argentina

GPA: 8.7/10

Activities: AI Club President, Kaggle Organizer, Research Assistant

Relevant Coursework: Deep Learning, NLP, Robotics, Reinforcement Learning

Summer School: EPFL 2020 (GPA: 5.7/6.0)

Work Experience

Machine Learning Engineer | Mercado Libre | Jan 2022 – Present | Buenos Aires, Argentina

- Built recommendation systems with Python and TensorFlow.
- Deployed models on Kubernetes with KFServing.
- Automated data pipelines with Airflow.

Skills

Frameworks: TensorFlow, PyTorch

Languages: Python, R

Tools: Airflow, Kubernetes

Other: Feature Engineering, Model Deployment, A/B Testing

Certificates

Coursera: Machine Learning Specialization

Udemy: Kubernetes for ML

Google Cloud ML Engineer

Awards

Mercado Libre Data Award 2023

UBA Academic Scholarship

First Place – Argentina AI Challenge 2021
