Emma Fischer

Munich, Germany

emma.fischer@fakemail.de | +49 89 1234 5678 | LinkedIn | GitHub

Education

Ludwig Maximilian University of Munich

Master of Science in Artificial Intelligence

Oct 2019 – Sep 2021 | Munich, Germany

GPA: 1.2/1.0 (A+ equivalent)

Activities: AI Club Lead, Robotics Competition Organizer, Teaching Assistant

Relevant Coursework: Deep Learning, NLP, Computer Vision, Reinforcement Learning

Summer School: Stanford University 2020 (GPA: 3.9/4.0)

Work Experience

AI Research Engineer | Siemens | Oct 2021 - Present | Munich, Germany

- Developed CNN models in PyTorch for image analysis.

- Implemented reinforcement learning agents using TensorFlow.

- Published two papers in ECCV 2022.

Skills

Frameworks: PyTorch, TensorFlow

Languages: Python, C++

Tools: Jupyter, Docker

Other: Model Optimization, Hyperparameter Tuning, MLOps

Certificates

Coursera: Deep Learning Specialization

Udemy: Advanced PyTorch

Google Cloud ML Engineer

Awards

Siemens Research Excellence Award 2022

LMU Dean's List

Best Paper ECCV 2022
