Alice Smith

Munich, Germany

alice.smith@fakeemail.com | +49 89 9876 5432 | LinkedInProfileAlice | GitHubAlice

Education

Ludwig Maximilian University of Munich

Master of Science in Data Science

Sep 2022 – Aug 2024 | Munich, Germany

GPA: 4.90/5.00

Activities: Data Science Club President, Kaggle Competition Participant

Relevant Coursework: Machine Learning, Deep Learning, Statistical Inference, Big Data Analytics, Data Visualization, Time Series Analysis

Exchange Semester: University of Edinburgh 2023 (GPA: A)

Work Experience

Data Scientist Intern | BMW Group | Jan 2024 - Present | Munich, Germany

- Developed and implemented machine learning models for predictive maintenance.

- Performed exploratory data analysis and feature engineering on large datasets.

- Collaborated with engineering teams to deploy models into production.

Skills

Programming: Python, R, SQL

ML/DL Libraries: TensorFlow, PyTorch, scikit-learn, Pandas, NumPy

Data Visualization: Matplotlib, Seaborn, Tableau

Big Data: Spark, Hadoop

Cloud Platforms: AWS (SageMaker, EC2, S3), Azure ML

Methodologies: CRISP-DM, Agile

Certificates

Coursera: Deep Learning Specialization, TensorFlow in Practice Specialization

DataCamp: Data Scientist with Python Career Track

Awards

Top 10% in Kaggle Competition: Sales Forecasting

University Award for Outstanding Thesis
